

GuestHQ Checkin

Please go to <http://www.guesthq.com.au> or scan the QR CODE using the camera app on your phone. If your phone fails to work with QR codes you will need to enter the address into a web browser ie: Google chrome

The screenshot shows the GuestHQ mobile app interface. At the top is a blue header with the 'guestHQ' logo. Below the header, there is a blue bar with the text: "Please enter your details below to check in and then show your confirmed check in message to one of our team". The form consists of four input fields: "Full Name", "Address (optional)", "Email Address", and "Phone Number". Below these fields is a checkbox labeled "Remember my details" which is currently unchecked. At the bottom of the form, there is a blue button labeled "Next" with a right-pointing arrow. The Android navigation bar is visible at the very bottom.

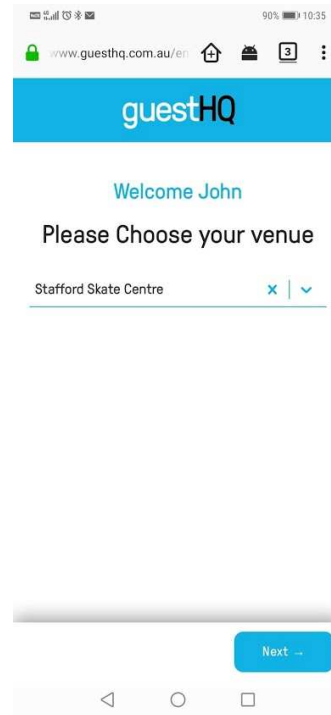

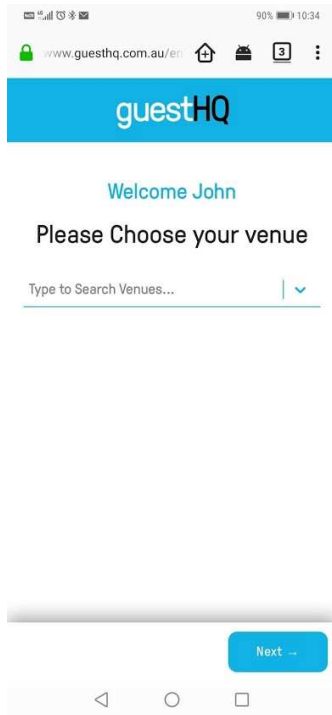

This Page will open

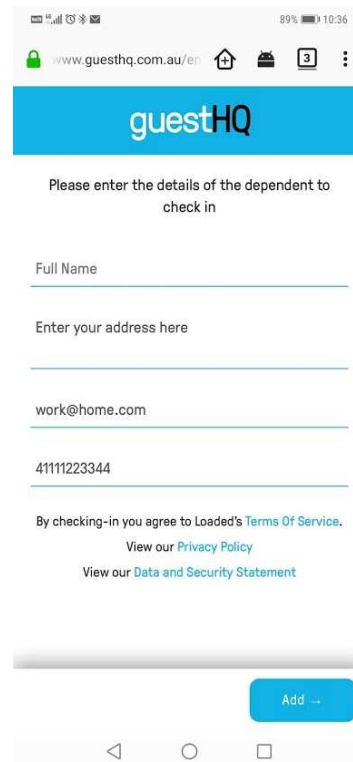

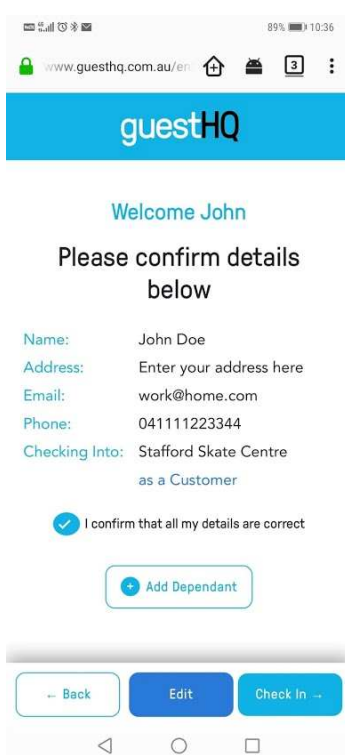

The screenshot shows the GuestHQ mobile app interface with the form fields filled out. The "Full Name" field contains "John Doe", the "Address (optional)" field contains "Enter your address here", the "Email Address" field contains "enter your email here", and the "Phone Number" field contains "07 123456789". The "Remember my details" checkbox is now checked. Below the form, there is a blue button labeled "Next" with a right-pointing arrow. The Android navigation bar is visible at the very bottom.
